Novice Breeder & Breeders Register Application Form

The below must be filled in by all breeders wishing to be included on the NFRS Breeders list and/or those wishing to be eligible for the Novice award.

All NFRS 'Novice' breeders must register to be eligible for the NFRS Novice Award, but by registering, you are not automatically added to the NFRS Breeders list unless you wish to be included. Please ensure you delete the correct line below. The current fee for registering a rattery name is a one off charge of £10.00 and then a second one off charge of £10.00 at studname registration.

For breeders without a Studname to be eligible for the Novice Award please include the Rattery Name you wish to use, which will be sent for approval to the NFRS Executive Committee. If/When the breeder achieves the requirements to apply for their Studname; the name itself will have already been approved so the breeder needs to send proof of wins/stud registration fees to the Standards Officer/Treasurer.
Please send the completed form with a cheque/postal order for £10.00 payable to the NFRS to address above.

Please delete or clearly mark as applicable:

- I am applying to the NFRS to become a Novice breeder and **WOULD LIKE** to be included on the NFRS Breeders list.
- I am applying to the NFRS to become a Novice breeder but **DO NOT** wish to be included on the NFRS Breeders list.
- I have an existing NFRS Registered Studname and would like my details to be included on the NFRS Breeders list.

Name:

Registered Studname or for new breeders Rattery Name you are applying for:

Address:

Contact Telephone Number / Mobile (and E-mail/website if applicable):

Breeders Register (optional see above)
Varieties do you breed and any additional information
